

Show Me What You Got

Gabrielle

Turn the music up
Turn the music up

Remember when we used to dance with no care?
Didn't matter where we were, do it anywhere
And it's been too long, what ya waiting for?
I know where to go, I know where to go

Leave the troubles at the door
I took your coat, you can head to the floor
And let the beat control ya
Ooh, we'll let the beat control ya

Turn the music up, the time is now
Turn the music up so we can get down
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Turn the music up, the time is now
Don't you wanna dance the charmer out?
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Show me what you got
Show me what you got
Show me what you got
Show me what you got

When you hear the beat drop, free your mind
Get your body in sync, baby, follow mine
It's Friday night, got the whole weekend to go
Leave those pills alone, switch to party mode

Leave the troubles at the door
I took your coat, you can head to the floor
And let the beat control ya
Ooh, we'll let the beat control ya

Turn the music up, the time is now
Turn the music up so we can get down
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Turn the music up, the time is now
Don't you wanna dance the charmer out?
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Show me what you got
Show me what you got
Turn the music up
Turn the music up

Turn the music up
This is how we fell in love
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Turn the music up, the time is now
Turn the music up so we can get down
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Turn the music up, the time is now
Don't you wanna dance the charmer out?
Where the beat hits your head down to your feet
Baby don't stop, baby don't stop

Show me what you got
Babe, you're looking hot
Show me what you got
Babe, you're looking hot

Show me what you got
Show me what you got
Come on, show me what you got
Come on, show me, you're looking hot
