

This Christmas

Gabrielle

Hang all the mistletoe
I'm gonna get to know you better
This Christmas

And as we trim the tree
How much fun it's gonna be together
This Christmas

Fireside's blazing bright
We're caroling through the night

And this Christmas will be
A very special Christmas for me

(And this Christmas will be)
Shake a hand, shake a hand now
(A very special Christmas for me)
Hand now

Presents and cards are here
My world is filled with cheer, and you
This Christmas

And as I look around
Your eyes outshine the town, they do
This Christmas

Fireside's blazing bright
We're caroling through the night
And this Christmas will be
A very special Christmas for me, yeah

(And this Christmas will be)
Shake a hand, shake a hand now
(A very special Christmas for me)

Merry Christmas
Merry, Merry Christmas
This Christmas

Fireside's blazing bright
As we're caroling through the night

And this Christmas will be
A very special Christmas for me

And this Christmas will be
A very special Christmas for me

And we're caroling through the night
I said it's gonna be
Merry Merry Christmas
