

Under My Skin

Gabrielle

When we first met
I didn't know for sure
We'd be connecting
Leaving you wanting more and more
Been given time, given so much time
We had a breakthrough
You stole my heart
I'll always love you, love you, yeah

'Cause it's a once in a lifetime thing
Some people keep on searching but won't find it

You got under my skin
And I'll never get you back
Boy, all or nothing, no
You got under my skin
And I just can't get enough
Boy, all or nothing, no
Just once in a lifetime

I'll be your ears
Someone to listen
I'll be that shoulder
For you to lean on, lean on, lean
I'll be your shadow
Go wherever you go
I'll have your back like I've always had
You'll never be alone I promise you that

'Cause it's a once in a lifetime thing
Some people keep on searching but won't find it

You got under my skin
And I'll never get you back
Boy, all or nothing, no
You got under my skin
And I just can't get enough
Boy, all or nothing, no
Just once in a lifetime

There's no mistaking what we've got, yeah
We can't deny that this is love
Some people wait a lifetime
To get what we got
Some people wait a lifetime
To get what we got
Some people take a lifetime, yeah

(You got under my skin)
There's no mistaking what we got
We can't deny that this is love
(You got under my skin)
There's no mistaking what we got
We can't deny that this is love
(You got under my skin)
There's no mistaking what we got
We found love
