

Dance Dance

Gabry Ponte

Dance, dance, dance, dance
And the beat goes on through my bone, bone, bones (hey)
I look at you and I'm like, "Oh my god
Heaven must be missing an angel"
I'm in the mood for dancing all night long
You can take me home when I say so
Come take my heart
Come take my head
But baby leave my beats so I can dance
Come take my heart
Come take my head
But baby leave my beats so I can dance
So I can dance, dance
Dance, dance, and the beat goes on
Through my bone, bone, bones
I can, dance, dance
Dance, dance and the beat goes on
Through my bone, bone, bones
I look at you and I'm like, "oh my God, how'd you think
This song was about you?"
I got the music flowing through my blood
I couldn't even stop if I tried to
Come take my heart
Come take my head
But baby leave my beats so I can dance
Come take my heart (oh-oh-oh)
Come take my head
But baby leave my beats so I can dance
So I can dance, dance
Dance, dance, and the beat goes on (Dance dance)
Through my bone, bone, bones (Oh I can, dance dance)
I can, dance, dance
Dance, dance and the beat goes on
Through my bone, bone, bones (Bone, bone, bones)
Ooh-ooh-ooh, ooh-ooh-ooh
(I keep on dancing)
Ooh-ooh-ooh (I keep on da-a-a-ancing)
Come take my heart
Come take my head (Come take my head)
But baby leave my beats so I can dance (Can dance)
Come take my heart (My heart)
Come take my head (My head)
But baby leave my beats so I can dance (I can dance)
So I can dance, dance
Dance, dance, and the beat goes on (Dance dance)
Through my bone, bone, bones (Oh I can, dance dance)
I can dance, dance
Dance, dance, and the beat goes on (Dance dance)
Through my bone, bone, bones (Oh I can, dance dance)
