TERRA LIBERA DALL'OMBRA DELLA GUERRA, TERRA LIBERA DALL'OMBRA D
ELLA GUERRA...

People playing games with no winner but death
to be winner on a day when they all die in the same bed fightin
g for a coin,

forgetting things without a price dying for a flag, in the name
of someone's lies homeless in a world where having's more than
being

Killing lives and lives hot understanding what this means looki
ng for a god to tell them why they should fight even ready for
the war, but no say if it's wrong or right.

TERRA LIBERA DALL'OMBRA DELLA GUERRA, TERRA LIBERA DALL'OMBRA D
ELLA GUERRA...
