

# No Consequences

Gabz

I know I'll regret this in the morning  
But I'm living like tonight is the end  
Mistake after mistake without no warning  
I know I'll regret this in the morning

But tonight, I'm living like there's  
No, no consequence  
Like there's no, no consequences  
No, no consequence  
Like there's no, no consequences

I wake up and the sun's too bright  
What on earth did we drink last night  
I've refreshed my memory and my friends say I was too messy  
No, no, no, no what the hell did we do last night

But tonight, I'm living like there's  
No, no consequence  
Like there's no, no consequences  
No, no consequence  
Like there's no, no consequences

I wish this nightmare was over  
Cos, I woke up with a hangover  
And my friends are showing me last night's snaps  
I wish that I could've stayed sober  
At the start of the night I started a fight  
Woke up in a toilet at quarter past 5  
But we had a good time

I don't really know what I was thinking yeah, yeah  
This is what I'm like when I've been drinking yeah, yeah  
What the hell did we do last night

But tonight, I'm living like there's  
No, no consequence  
Like there's no, no consequences  
No, no consequence  
Like there's no, no  
But tonight, I'm living like there's  
  
No, no consequence  
Like there's no, no consequences  
No, no consequence  
Like there's no, no consequences
