

## Lost on a Straight Path

Gadget

Blackened soiled and torn  
Abandoned and alone  
Sole witness  
Remnants of a fall...  
Blinded by our own confinement  
Mine Eruption Denied regrets - denied remorse  
Guided by a broken lens  
A false prediction  
Lost on a straight path last  
More Expansion  
Forge Construction  
Ghost of progress past  
Deliver us at last
