

Join the Dark Side

Gaia Epicus

Born from the dark they are a different kind, not like your kind

They use the fallen ones to walk amongst mankind

They know some things about the force that you don't understand

They are the dark Jedi knights

Join the dark side

Join the forces of evil

Join the dark side

They turned away from the light to learn, the ways of the dark side

In the shadows they could stay and grow, and they could hide
