

War Against Terror

Gaia Epicus

Coward men, in command, brainless fools with an army
Slaughter down, anyone, who don't believe in their god
Now it's time to face all this evil
Erase them from the face of the earth
War against terror!
In the name of god, they go to war, they will blow us all to pi
eces
Filled with hate, and jealousy, like filthy rats with a policy
Now it's time to face all this evil
Erase them from the face of the earth
War against terror!
