

Gaia Mesiah

Gaia Mesiah

(předehra) Am G F# F G 2×

G Am

Fire in the brain

G F

Do you feel the pain

G Am

Eating while you're alive

G F

Eating while you're alive

I've been looking for

Another kind of true

Searching reality

Not this insanity

Someone took me in

Another kicked me out so fast

Something doesn't smell good so sentimental

Am

Save our spirit Messiah 2×

Save our planet

Am F

Save the faith

Am

Save our spirit Messiah

We are waiting Messiah 2×

We are praying

Am F

We're repenting

Am

We are waiting Messiah

One of these days are turning black

And all the things are coming back

Oh what we've done!!!

Fire in the brain

do you feel the pain

It's too late to be scared

so sentimental

I'm not a Messiah

I'm natural disaster
