## Gaia Mesiah

```
You are my the best lovin' granny
You can tell me
You can tell me
Story about world was so funny
Story about world was so funny
I have seen a lot of faces
I have been to lot of places
World is funny
World is funny
World is funny if you aren't granny
I'm fucking sixty years in my way
I'm gonna die!!!
A cielo, a cielo, a cielo quiero ir!
I'm gonna die!!!
```
