

Manana

Gaia Mesiah

If you try to fly
Don't leave a pure way

Because it's really true

Hey do you want to listen to the story
Of a man from the street
So listen now

I'm not gonna work in a factory
(I know what do you mean)
I want to have a lucky memory
(I know what do you feel)
I listen only to the voice of my heart
And I don't think about
What the others think about me

No problemo con tempo MAÑANA

Ich mochte nicht in die Fabrik arbeiten
Ich mochte meine Freiheit haben
Das ist alles meine Eltern von euch
Ich mochte meine Freiheit haben

I'm little freak Walking down the street
Not go to work Just to buy green sweets
Not go to school Because I wanna be cool
Because you want to be cool

No problemo con tempo MAÑANA
Do you smell my stink
How do you do
What do you think
