

# Everything Good

Gaither Vocal Band

Everything good, everything bright  
Everything holy, everything right  
Everything worthy, all that I should  
And all is well, 'cause I'm gonna  
Dwell on everything good.

I got a choice, I got a plan  
Gonna find the roses under the thorns  
Whenever I can.  
Lookin' for joy (ooh), Lookin' for love (ooh)  
Lookin' for a little bit of Heaven on Earth  
Shinning down from above (echo- "from above")

Everything good, everything bright  
Everything holy, everything right  
Everything worthy, all that I should  
And all is well, 'cause I'm gonna  
Dwell on everything good.

Changin' the scene (echo), changin' my way (echo)  
Tradin' some gloomy, doomy nights for a few more sunny days  
It's all in the heart (echo), It's all in the eyes (echo)  
So here's how I'm workin' in life,  
I've made up my mind

Everything good, everything bright  
Everything holy, everything right  
Everything worthy, all that I should  
And all is well, 'cause I'm gonna  
Dwell on everything good.

Everything good, everything bright  
Everything holy, everything right  
Everything worthy, all that I should  
And all is well, 'cause I'm gonna  
Dwell on everything good.  
Good, good, good,

Everything good, everything bright  
Everything holy, everything right  
Everything worthy, all that I should  
And all is well, 'cause I'm gonna  
Dwell on everything good.  
Good, good, good, and all is well 'cause I'm gonna dwell on everything good...
