An acorn grows a mighty oak
A stream can cut through rock
A House becomes a home, sweet home
A baby learns to walk
Paint will be a masterpiece
And words can make a rhyme
A boy will turn into a man
Good things just take time

Don't give up, don't give in
That hill was made to climb
With some food and fortitude
You will be just fine
Great is worth its weight in gold
Easy ain't worth a dime
Stand for the long, long haul
Good things just take time

A child can be a wise man
A sinner can be a saint
A brick can be a temple

A link can be a chain
Some notes can be a love song
Steel can be a chime
A moment can last forever
Good things just take time

Don't give up, don't give in
That hill was made to climb
With some food and fortitude
You will be just fine
Great is worth its weight in gold
Easy ain't worth a dime
Stand for the long, long haul
Good things just take time
