

Do It

Gala

It's just life
It's like a dream
It's so ephemeral
There isn't any time
To be skeptical
You can be logical
And still be radical

People who don't dream
Are unreliable

You say: "No, I don't know"
You say: "I don't think so"
You say: "I shouldn't go"
Will you stop saying: "no"?

Just do it!
Do it, do it, do it
You can!
Do, do it
Baby you can do it
Come on!

It's my life and
I am fine with unpredictable
Sometimes it can be hard
But still incredible
You can be practical
Still make it magical

People who don't dream
Are unreliable

You say: "No, I don't know"
You say: "I don't think so"
You say: "I shouldn't go"
Will you stop saying: "no"?

Just do it
Do it, do it, do it
You can!
Do, do it
Baby you can do it
Come on!
