

Wonderful Life

Galactic Industry

Here I go out to sea again
The sunshine fills my hair
And dreams hang in the air

Gulls in the sky
and in my blue eye
You know it feels unfair
There's magic everywhere

Look at me standing
Here on my own again
Up straight in the sunshine

No need to run and hide
It's a wonderful, wonderful life
No need to laugh and cry
It's a wonderful, wonderful life

The sun's in your eyes,
the heat is in your hair
They seem to hate you
because you're there

And I need a friend,
oh I need a friend,
to make me happy
Not stand here on my own

No need to run and hide
It's a wonderful, wonderful life
No need to laugh and cry
It's a wonderful, wonderful life

Look at me standing
Here on my own again
Up straight in the sunshine

I need a friend, oh I need a friend
To make me happy, not so alone
Look at me here
Here on my own again
Up straight in the sunshine

No need to run and hide
It's a wonderful, wonderful life
No need to laugh and cry
It's a wonderful, wonderful life
