

# Bones

Galantis

You bring an energy I've never felt before  
Some kind of chemical  
That reaches through my core  
It feels like  
As far as you and me  
I've never had a choice  
You feel like home, hmm  
You like the opposite of all of my mistakes (Hey)  
Tear down the biggest walls  
And put me in my place  
I know, that kind of comfortable  
You cannot replicate  
You feel like home, hmm  
So if you're asking me  
Saying, "Boy, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones  
I feel it in my bones  
And I know when it cause tears down  
Through your chest into your soul  
That's how you know  
That's how I know  
I feel it in my bones  
And I know when it cuts deep down  
Through your chest (Hey) into your soul  
That's how you know  
That's how I know  
Feel it in my bones  
So many people just walk in  
And out your life (Hey)  
I'd trade a couple wounds  
And just to get some time, back this right  
Cause for you and me, I got no alibi  
You feel like home, oh  
So if you're asking me  
Saying, "Oh, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones  
I feel it in my bones, yeah  
And I know when it cuts deep down  
Through your chest into your soul  
That's how you know, that's how I know  
I feel it in my bones  
I feel it in my bones  
Yeah, I feel it in my bones  
Oh, that's how you know, that's how I know  
So if you're asking me  
Saying, "Boy, how do you know?"  
I don't just feel it in my heart  
Don't just feel it in my heart, no  
I feel it in my bones  
I feel it in my bones  
I feel it in my bones, yeah  
And I know when it cuts deep down  
Through your chest into your soul

That's how you know  
That's how I know  
I feel it in my bones  
I feel it in my bones  
Yeah, I feel it in my bones  
Oh, that's how you know  
That's how I know  
Feel it in my bones
