

## Faith

Galantis

Know the road gets hard  
And you just wanna leave  
I ain't ever too far  
Just have a little faith in me  
When all the fears you hide  
Are all you can believe  
Oh, I'll be standing by your side  
Just have little faith in me

Have a little faith in me  
Just have a little faith in me  
Have a little faith in me  
Just have a little faith in me  
Have a little faith in, in, in me, me  
Have a little faith in, in, in me, me  
Have a little faith in, in, in me, me  
Just have a little faith in me, me

Have a little faith in, in, in me  
Have a little faith in me, in me  
Have a little faith in, in, in me  
Have a little faith in me, me

When you don't know who you are  
I will find you so easily (Oh)  
Don't you worry, whenever you need me  
Have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in, in, in me (Faith in me)  
Have a little faith in, in, in me (Faith in me)  
Have a little faith in, in, in, in, in, in, in me  
Just have a little faith (Just have a little faith in me)

Have a little  
Have a little faith in me, in me  
Have a little faith in, in, in me  
Have a little faith in me, me

Let me shine and radiate  
With your love and light, and help me make  
Any change I can in this world today  
Just show me the way

Have a little faith (Before we go way back)  
Have a little faith (Show me the way)  
Have a little faith
