Galantis

[Verse 1]

Whatever makes me feel somethin'
No one seems to care 'bout nothin' at all
Whatever makes me feel somethin'
Let's fly away tonight, leave it all behind
Whatever makes me feel somethin'
No one seems to care 'bout nothin' at all
Whatever makes me feel somethin'
Let's fly away tonight, leave it all behind

Whatever makes me feel somethin' at all
Whatever makes me feel somethin' at all
Whatever makes me feel somethin' at all, at all

[Drop]

(Hey, hey)
