

Get You Alone

Galantis

We spin around in my Cadillac
Let's lose control have a heart attack
Into the wild
Ride horse back
Takin' you the long way home

Blow up the night
Tik tik tock
When you shine make the show stop
Sparkle hard like pop rocks
How do I get you alone

5 in the morning
When the light is golden
All I got to know is
How do I get you alone
How do I get you alone
How do I get you alone

We spin around in my Cadillac
Drinking you down like cognac
Ride in the night on horse back
Take you the long way home

Blow up the night
Tik tik tock
When you shine make the show stop
Sparkle hard like pop rocks
How do I get you alone

5 in the morning
When the light is golden
All I got to know is
How do I get you alone
How do I get you alone
How do I get you alone

All I got to know is
How do I get you alone
