

## Little Bit Yours

Galantis

And tonight I'm a little bit yours

I'm tryin' to be honest  
With the way I'm feelin' now  
And maybe I get lonely, lonely (Mm, mm)  
When the sun is goin' down (Mm, mm)

I'll love you in the night, night (Mm, mm)  
But I might not stay around (Mm), but I might not stay around

I'm a little bit wild, a little bit shy  
A little bit low even when I get high  
A little uncertain, still you want more  
And tonight I'm a little bit yours  
I'm a little bit here, a little bit gone  
A little bit found right where I belong  
What's comin' tomorrow, we'll never be sure  
But tonight I'm a little bit yours

I'm tryin', tryin'  
Da-da-da, da-da-da-dum  
Da-da-da-da, da-da-da-dum (Woo)  
Da-da-da, da-da-da-dum  
And tonight I'm a little bit yours

I'll love you in the night, night (Mm, mm)  
But I might not stay around (Mm)  
I'll love you in the night, night (Mm, mm)  
But I might not stay around (Mm), but I might not stay around

But tonight I'm a little bit yours

I'm a little bit wild, a little bit shy  
A little bit low even when I get high  
A little uncertain, still you want more  
And tonight I'm a little bit yours  
I'm a little bit here (For tonight), a little bit gone (For tonight)  
A little bit found right where I belong  
What's comin' tomorrow (For tonight), we'll never be sure  
But tonight I'm a little bit yours

I'm tryin', tryin'  
Da-da-da, da-da-da-dum  
Da-da-da-da, da-da-da-dum (Woo)  
Da-da-da, da-da-da-dum  
And tonight I'm a little bit yours

I'm a little bit wild, a little bit shy  
A little bit low even when I get high (Oh)  
A little uncertain, still you want more (For tonight)  
And tonight I'm a little bit yours

Da-da, da-da-da-dum  
Da-da-da, da-da-da-dum
