

Unless It Hurts

Galantis

[Verse 1]

I hear violas, I hear violins
Heartbreaking melodies I wanna sing
I'm feelin' it all for you
I'm feelin' it all for you
Now I don't fit these shoes I'm standin' in
And I've been growing me a pair of wings
I'm feelin' it all for you
I'm feelin' it all for you

[Pre-Chorus]

I might lose a little blood along the way
But I'm diving in headfirst
If I had to hit a train to make you stay
It ain't love, love, love unless it hurts

[Chorus]

(It ain't love unless it hurts)
(It ain't love)
It ain't love unless it hurts
(No, no)
(It ain't love)
(It ain't love unless it hurts)
(No, no)
(It ain't love)

[Verse 2]

I'll pick my broken heart up off the floor
Give me back mine and then I'll give you yours
I'm feelin' it all for you
I'm feelin' it all for you
I wanna work all night and dream all day
It's like my world has fallen out of shape
I'm feelin' it all for you
I'm feelin' it all for you

[Pre-Chorus]

I might lose a little blood along the way
But I'm diving in headfirst
If I had to hit a train to make you stay
Any ways and any how (This heart won't break)
I might lose a little blood along the way
But I'm diving in headfirst
If I had to hit a train to make you stay
It ain't love, love, love unless it hurts

[Chorus]

(It ain't love unless it hurts)
(It ain't love)
It ain't love unless it hurts
(No, no)
(It ain't love)
(It ain't love unless it hurts)
(No, no)
(It ain't love)
