

This is why events unnerve me  
They find it all a different story  
Notice whom for wheels are turning  
Turn again and turn towards this time  
All she asks is the strength to hold me  
Then again the same old story  
Love will travel oh so quickly  
Travel first and lean towards this time.

I'll break them down, no mercy shown  
Heaven knows it's got to be this time  
Watching her, these things she said  
The times she cried  
Too frail to wake this time.

I'll break them down, no mercy shown  
Heaven knows it's got to be this time  
Avenues all lined with trees  
Picture me and then you start watching  
Avenues all lined with trees  
Picture me and then you start watching  
Avenues all lined with trees  
Picture me and then you start watching

Forever  
Forever watch  
Forever  
Forever, letting me know
