311!

Gallant

Three nights here by myself...
Tryna reach her from the hotel
Said she'd be here by now
Maybe she's lost or with someone else...

Somebody dial "311"
Tell 'em check the phone towers
Last 48 hours feel like an eternity
Tell Red to let security loose
Throw one more night on the room!
Cause I know she must be missing me

I'm wasting away waiting for you to call
Wonder what could be taking so long?
I'm wasting away waiting for you to call
Baby, what could be taking so long?

Know she's been here before
That's her suitcase by the window
Still I can't get her line to ring
It's just an echo... or someone breathing

Somebody dial "311"
Tell 'em check the phone towers
Last 52 hours feel like an eternity
Tell Red to let security loose
Throw one more night on the room!
Yeah I know she must be missing me

I'm wasting away waiting for you to call
Wonder what could be taking so long?
I'm wasting away waiting for you to call
Baby, what could be taking so long?
