

Crimes

Gallant

You're just takin' what you find
Baby it's all mine, mine, mine
And you're think that you could justify it
You only stay the night
Give me peace of mind, mind, mind
What you're throwin', baby, I don't buy it

And honestly I
Can't keep overlookin' all your crimes
You keep tellin' me what's yours is mine
But you lie
'Cause you don't wanna hurt your pride
And honestly I
Can't keep overlookin' all your

You come and then you go
Takin' what you want, want, want
Wouldbe better, girl, if you weren't tryin'
So hard to shut me down
Baby when it's said and done
You've wanted 'til you come home cryin'

And honestly I
Can't keep overlookin' all your crimes
You keep tellin' me what's yours is mine
But you lie
'Cause you don't wanna hurt your pride
And honestly I
Can't keep overlookin' all your

I'm against this method of madness
A weapon of sadness
Girl I can remember
The last time you took my indifference for peace
And made me believe
I wasn't worth the risk
Wasn't worth the hassle
A stable genius like you are
For twenty-two years on this earth, babe
You take what you don't deserve

And honestly I
Can't keep overlookin' all your crimes
You keep tellin' me what's yours is mine
But you lie
'Cause you don't wanna hurt your pride
And honestly I
Can't keep overlookin' all your
