

Gentleman

Gallant

Know it's winter somewhere
But it's spring time right here
You need me to water the grass before it all disappears
Say you're sick of that high school shit
You need a college degree
So you took all your frustration to me

Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter like a gentleman
Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter like a gentleman

Said fuck it with that subtle and slow
Nah, we don't want that - throw yourself on
Like it's meant to be
Leave you with a fifth of your sanity (girl)

Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter like a gentleman
Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter like a gentleman

Take what you want, don't be scared
Girl you know I've been here before
You can't ignore all the signs that you feel
When you're touching and kissing my neck
Girl you know what you want
And I'm here to give it to you
Take what you want, don't be scared
Girl you know I've been here before
You can't ignore all the signs that you feel
When you're touching and kissing my neck
Girl you know what you want
And I'm here to give it (to you)

Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter like a gentleman
Tell me have you ever had a gentleman?
If not, then girl you deserve a gentleman
Eat you out for dinner like a gentleman
Knock before I enter, I enter baby
