Kimi no koe ga hanarete ku
Dare mo shiranu tatakai no naka
Kabe ga ashita o tōzakeru
Fureru koto wa kanawazu

Hikisaka reta kono sekai wa
Nani o kataru no ka
Kaerubeki basho o motomete
Samayō hitori

Mai chiru yume no kakera o
Atsumete kimi to aruki dasou
We can break it through the loneliness
Ureu koto nai sono hitomi ni wa

Nageki sakebi taorekomu
Ashita mo mienu tatakai no naka
Tenkū o aogi tewonobasu
Inori ga yami o kowasu

Hikisaka reta kono sekai wa
Nani o miseru no ka
Itetsuita kono machinami ni
Hikari o sasou

Kasanaru yume no kakera o
Atsumete kimi to aruki dasou
We can break it through the loneliness
Ureu koto nai mirai e

Afureru yume no kakera o
Atsumete kimi to aruki dasou
Just break it through the sadness
Ureu koto nai sono hohoemi ni
Itsuka itsu ka

Hikisaka reta kono sekai wa
Nani o kataru no ka
Kaerubeki basho o motomete
Samayō hitori

Mai chiru yume no kakera o
Atsumete kimi to aruki dasou
We can break it through the loneliness
Ureu koto nai mirai e

Now once again yume no kakera o
Atsumete tsuyoku aruki dase
Just break it through the sadness
Ureu koto nai sono hohoemi ni

Itsuka aeru-sa
