

Hit Man

Gang Starr

The hit man
Power is so greedy
That's for real
Ain't about a whole lotta talk
It's about, bringin' figures

He got the eye and the heart to do it, yeah
From the roof, with the scoped, there's a whole lot to it
Ain't no emotion when he pulls the trigger
Breathe second of silence, then you see what he do to niggas
Pistols, rifles, grenades, whatever
He's a killin' machine, bought and paid for on pleasure
And way iller than the last nigga
Smoke a nigga in the club, and then dance right past niggas
Once in a while, there'll be one who'll stand out
Who's more than psycho, who'll take any man out
With a certian passion for sendin' bullets blastin'
A certain fashion to the way this nigga wax 'em
And this assassin gets mad satisfaction from puttin' all this worthless scum
out of action
I sense some pride in his skill
Looks in the mirror and salutes before he rides for the kill

You got the bag, pop? I got the thing, thing
It's in the sling, here it is, let me let it ring
With the doo, doo, doo, doo, doo
Or I do it lawn mower style, rrt
You got the bag, pop? I got the thing, thing
It's in the sling, here it is, let me let it ring
I got potatoes and the mufflers in the whole thing
With the doo, doo, doo, doo, doo, doo, doo

Buckin' at niggas wigs while he's puffin' on cigs
Lay him down, then he bounce out of town to another gig
It ain't nothin', he don't need many friends
Funded different type of weapons, he got plenty of them
If you pass him on the street, or see him in his spot
He's always calm, cool, collected, very rarely is he not
Hit man, with ice in his veins
Does the job so precise, they up the price with his name
Shadowy figure, never too loose with the lip
.44 long in his clip, deuce-deuce on his hip
Baby nine in his boots and his trunk is full
This niggas on some shit and can't be f*cked with, fool
In the grimy world of highly-paid hustlers
First they get goons to muscle ya, then get him to touch ya
You wouldn't wanna get in his way, nor his associates
Or a tombstone bearin' your name would be appropriate

You got the bag, pop? I got the thing, thing
It's in the sling, here it is, let me let it ring
With the doo, doo, doo, doo, doo
Or I do it lawn mower style, rrt
You got the bag, pop? I got the thing, thing
It's in the sling, here it is, let me let it ring
I got potatoes and the mufflers in the whole thing
With the doo, doo, doo, doo, doo, doo, doo
