

Get Bizzy With The Fizzy

Garbage

Well...I might just consider this
If you don't let me down
If you can keep me happy
Well you can sit around
Now I don't care for sycophants
They drive me round the bend
Then if you can't control yourself
Then let's just keep being friends

Let's make out in the back of your car
Let's go driving and toodlin' around
We can always get lost in a crowd
Are you ready to get deep down
Woohoo
Woohoo

Now there's something you should know about
I'm chronically depressed
Internalise my hatred
And sacrifice my self
Now I am busy Saturday
But I am free tonight
And I might have to sort you out
If you don't do it right
