Garbage

Would you deceive me?
If I had a dick
Would you know it?
Would you blow it?
If I had a dick
Would you know it?
If I had a dick
Would you blow it?

Would you hear me? Deceive me? Believe me?
Would you ever fucking leave me?

The center of Heaven is you
And the truth keeps weighing me down
No matter what you have done
You are the Godhead, the chosen one
