

## Happiness Pt.2

Garbage

Don't say no to me daddy  
Don't  
Don't say no to me daddy  
Don't say no to me daddy

Happiness  
Is this a test?  
Do you think I'm blessed?  
I'm such a mess

The time is now  
The time is now  
The time is now  
The time is now

Do you exist?  
My happiness  
Is this a test?  
Please let me rest

The time is now  
The time is now  
The time is now  
The time is now

Happiness  
Is this a test?  
Do you think I'm blessed?  
I'm such a mess  
I'm such a mess  
I'm such a mess  
I'm such a mess  
Is this a test?

Is this a test?  
Is this a test?  
Is this a test?  
Is this a test?  
Is this a test?  
Is this a test?  
Is this a test?  
Is this a test?

Oh, holy shit!  
Oh, holy shit!
