

Revenge and Hurt

Garbage

Why'd you have to break my heart
Why'd you have to bring me down
Make me feel like I'm worthless
Make me feel like a piece of garbage
Why'd you have to be so mean
When I always treat you right
You treat me like dirt
Just like a dog

Hate is what I've got
Revenge and a lot of hurt
And I've got a little hope
I just haven't got a lot

I like feeling kind of stoned
Helps to take away the edge
On which I'm standing, I like to watch it
Just like magic, I erase it
Hate and love and getting high
Helps to get me through the night
It helps me forget
Just what you did

Now hate is what I've got, revenge and a lot of hurt
Hate is all I've got, revenge and a lot of hurt
And I've got a little hope
I just haven't got a lot

Why'd you have to break my heart
Why'd you have to bring me down
Treat me like dirt
I'm not your dog

Hate is what I've got, revenge and a lot of hurt
Hate is what I've got, revenge and a lot of hurt
And I think I've had enough
I want it to stop

I'm not your dog
I'm not your dog
