You pretend you're high
You pretend you're bored
You pretend you're anything
Just to be adored
And what you need
Is what you get

Don't believe in fear
Don't believe in faith
Don't believe in anything
That you can't break

You stupid girl
You stupid girl
All you had you wasted
All you had you wasted

What drives you on (What drives you on) Can drive you mad (Can drive you mad) A million lies to sell yourself Is all you ever had

Don't believe in love Don't believe in hate Don't believe in anything That you can't waste

You stupid girl You stupid girl Can't believe you fake it Can't believe you fake it

Don't believe in fear Don't believe in pain Don't believe in anyone That you can't tame

You stupid girl You stupid girl All you had you wasted All you had you wasted

You stupid girl You stupid girl Can't believe you fake it Can't believe you fake it

You stupid girl You stupid girl Can't believe you fake it Can't believe you fake it

You stupid girl.
