

I can't use what I can't abuse
And I can't stop when it comes to you

You burned me out but I'm back at your door
Like Joan of Arc coming back for more

I nearly died
I nearly died
I nearly died

I came to cut you up
I came to knock you down
I came around to tear your little world apart
I came to shut you up
I came to drag you down
I came around to tear your little world apart
And break your soul apart

You burn and burn to get under my skin
You've gone too far now I won't give in
You crucified me but I'm back in your bed
Like Jesus Christ coming from the dead

I nearly died
I nearly died
I nearly died

I came to knock you up
I came to cut you down
I came around to tear your little world apart
I came to rip you up
I came to shut you down
I came around to tear your little world apart
And break your soul apart

I nearly died
I nearly died
I nearly died

I came to cut you up
I came to knock you down
I came around to tear your little world apart
I came to shut you up
I came to suck you down
I came around to tear your little world apart
Tear your little world apart
Tear your little world apart
And break your soul apart

I can't stop when it comes to you
I can't stop when it comes to you
When it comes to you
When it comes to you.
