

# When I Grow Up

Garbage

Cut my tongue out  
I've been caught out  
Like a giant juggernaut  
Happy hours  
Golden showers  
On a cruise to freak you out

We could fly a helicopter  
Nothing left to talk about  
Entertain you  
Celebrate you  
I'll be back to frame you

When I grow up  
I'll be stable  
When I grow up  
I'll turn the tables

Trying hard to fit among you  
Floating out to wonderland  
Unprotected  
God I'm pregnant  
Damn the consequences

Blood and blisters  
On my fingers  
Chaos rules when we're apart  
Watch my temper  
I go mental  
I'll try to be gentle

When I grow up  
When I grow up  
When I grow up  
I'll turn the tables

Don't take offense  
Better make amends  
Rip it all to shreds and let it go

I rip it all to shreds and let it go  
I rip it all to shreds and let it go  
I rip it all to shreds and let it go.
