

# Afterglow

Gareth Gates

Like a rocket in the sky that passes by  
Something beautiful then gone  
The moment comes alive, it comes alive  
Like a flame it won't last long

Should I stay or should I go  
Is there something I don't know  
It's all up to me  
Not to hold on to what I see, I keep  
Chasing the afterglow  
Chasing the afterglow

I say that walking on the water's easier  
Than walking on my own  
Like a man who throws his life away  
When he wanted to come home

Should I stay or should I go  
Is there something I don't know  
It's all up to me  
Not to hold on to what I see, I keep  
Chasing the afterglow  
Chasing the afterglow  
Chasing the afterglow  
Chasing the afterglow

No matter what I think about it  
It goes round  
And no matter what I do about it  
It goes round  
And no matter what I say about it  
It goes round

Glow (Afterglow)  
Glow (Afterglow)  
Glow (Afterglow)  
Afterglow (Afterglow)  
Glow (Afterglow)  
Glow (Afterglow)
