

# (I've Got No) Self Control

Gareth Gates

Oh it's a sweet sensation  
You're my one temptation  
I never felt before  
I feel a strong attraction  
A strange reaction  
It leaves me wanting more

I'm outta my mind  
I'm outta my head  
I'm loosing my heart  
I'm easily led  
Like nothing before  
As good as it gets  
You're making me hot  
You're making me sweat

I've got no, no self-control  
When I'm with you  
Oh, what I'll give you baby  
I've got no, no self-control  
When I'm around you  
I'm loosing it all for you

I'm under no illusion  
I'm in such confusion  
I can't help myself  
I think I need protection  
From a deep affection  
Don't want nobody else

I'm falling apart  
I want you to know  
The more you resist  
The deeper I go  
The longer I wait  
The weaker I get  
You're making me hot  
You're making me sweat

I've got no, no self-control  
When I'm with you  
Oh, what I'll give you baby  
I've got no, no self-control  
When I'm around you  
I'm loosing it all my,

I've got no, no self-control  
When I'm with you  
Oh, what I'll give you baby  
I've got no, no self-control  
When I'm around you  
I'm losing my head now baby, baby

I'm outta my mind  
I'm outta my head  
I'm loosing my heart  
I'm easily led

Like nothing before  
As good as it gets  
You're making me hot  
You're making me sweat

I've got no, no self-control  
When I'm with you  
Oh, what I'll give you baby  
I've got no, no self-control  
When I'm around you  
I'm loosing it all my,

I've got no, no self-control  
When I'm with you  
Oh, what I'll give you baby  
I've got no, no self-control  
When I'm around you  
I'm loosing it all for you
