

Tell Me One More Time

Gareth Gates

C'mon and tell me baby

Do you believe in love
The way that I do?
And when you find the one
Wherever you go
They'll travel with you
What can I say?
Where do I start?
To pick up the pieces
Of your broken heart

Tell me one more time
Why your heart cannot be mine
Look into my eyes and say
That love has gone
And I'll be man enough to walk away
Tell me one more time
Why your dreams cannot be mine
'Cause I won't believe it's true
Until I hear it from you

Do you believe in love?
There's no right no wrong, no, no
Love's just an open road
With different ways of moving on
I dare you to stay
And work this thing out
'Cause leaving is taking
The easy way out

Tell me one more time
Why your heart cannot be mine
Look into my eyes and say
That love has gone
And I'll be man enough to walk away
Tell me one more time
Why your dreams cannot be mine
'Cause I won't believe it's true
Until I hear it from you

Back in my life
I want you so bad
And losing you is losing all that I had
And this is crazy
So why can't you see
You're the only one that ever mattered to me

Oh baby
Look into my eyes
Love is truly gone
I will run away
Tell me one more time
Dreams cannot be mine
No I won't believe it
Until I hear it
Until I hear it from you
