

# Reach Out (I'll Be There)

Garou

Now if you feel that you can't go on  
Because all of your hope is gone  
And your life is filled with much confusion  
Until happiness is just an illusion  
And your world around is crumblin' down  
Darling, reach out (come on girl, reach out for me)  
Reach out (reach out for me)

I'll be there with a love that will shelter you  
I'll be there with a love that will see you through

When you feel lost and about to give up  
'Cause your best just ain't good enough  
And you feel the world has grown cold  
And you're drifting out all on your own  
And you need a hand to hold on  
Darling, reach out for me girl (come on, reach out)  
Reach out (reach out for me)

I'll be there to love and comfort you  
I'll be there to cherish and care for you  
I'll be there to always see you through  
I'll be there to love and comfort you

I can tell the way you hang your head  
You're without love and now you're afraid  
And through your tears you look around  
But there's no peace of mind to be found  
You're alone now, no love of your own  
But darling, reach out (come on darling)  
Reach out (come on, reach out for me)

I'll be there to give you all the love you need  
I'll be there you can always depend on me  
I'll be there to give you all the love you need  
I'll be there you can always depend on me
