

Babe, I'm All Yours

Garrett Kato

I was fearless and foolish
That's what led me right to this
Following the trail straight to you

No one knows where the heart will land
Love doesn't always go to plan
So I'll just fall, I'll fall right into you

And I know the pain that love can bring
But I'm open minded to that kind of thing
Yes I'm wide open for
A broken heart and maybe more

Babe, I'm all yours

I was broken and burnt out
Sometimes things just don't work out
But I can't help
No I can't help but try

And I know the pain that love can bring
But I'm open minded to that kind of thing
Yes I'm wide open for,
A broken heart and maybe more
(Maybe more)

Babe, I'm all yours
Babe, I'm all yours

And I know the pain that love can bring
But I'm open minded to that kind of thing
Yes I'm wide open for
A broken heart and maybe more

Babe I'm all yours
Babe I'm all yours
