

# Control

Garrett Kato

Strangest things are happening to me  
Almost every night  
I get this feeling I'm not even breathing  
In my body

Imagine if life is a dream  
And waking up is dying  
Actually

Cause I can't feel it anymore  
And you ain't got no control  
Ain't got no control

Memories keeping, run around repeating  
In my mind

Try to shake it I can't even take it  
Anymore

Imagine if life is a dream  
And waking up is dying  
Actually

Cause I can't feel it anymore  
And you ain't got no control  
Ain't got no control
