

## It Gets Better

Garrett Kato

Don't wanna feel like I'm falling apart  
Don't wanna say it but I think I'll start  
As I try to make some sense  
Out of all this emptiness  
Don't wanna feel like I'm growing apart from me

But you  
You're all I need to feel alright  
And you  
You take me from the darker side

It gets better when you're around  
Time is moving and it won't slow down  
Your willingness to be okay  
With everything, I love the way  
It gets better when you're around

I'd rather than be nothing than something without you babe  
I calm myself down but it's not the same  
When the world keeps pushing down  
And I need you to help me out  
I'll try and be someone that can keep you safe

But you  
You're all I need to feel alright  
And you  
You take me from the darker side

It gets better when you're around  
Time is moving and it won't slow down  
Your willingness to be okay  
With everything, I love the way  
It gets better when you're around

But you  
You're all I need to feel alright  
And you  
You take me from the darker side

It gets better when you're around  
Time is moving and it won't slow down  
Your willingness to be okay  
With everything, I love the way  
It gets better when you're around
