

Losing Touch

Garrett Kato

Is it just me or am I losing it?
Is it a feeling that I'm supposed to be dealing with?
I remember being mentally stable
I remember feeling young and able

That's when you said
"Things are going 'round in my mind"
Wishing I was there all the time
Maybe I'm good, I'm fine
I'm lying

It's feeling like a hit and run
A smoking gun
We were just kids out having fun
'Cause it's a lot
Ready or not
Why do we keep on losing touch?
Why do we keep on losing touch?
Why do we keep on losing touch?

I guess it's all just all unforgivable
Why you gotta be so critical?
Didn't mean to be unstable
Isn't this all what you came for?

Right when you said
"Things are going wrong in my mind"
Think of what you said all the time
Feeling like I'm dead, I'm fine
I'm lying

It's feeling like a hit and run
Smoking gun
We were just kids out having fun
'Cause it's a lot
Ready or not
Why do we keep on losing touch?
Why do we keep on losing touch?
Why do we keep on losing touch?

It's feeling like a hit and run
A smoking gun
We were just kids out having fun
'Cause it's a lot
Ready or not
Why do we keep on losing touch?

It's feeling like a hit and run
A smoking gun
We were just kids out having fun
'Cause it's a lot
Ready or not
Why do we keep on losing touch?
Why do we keep on losing touch?
Why do we keep on losing touch?
