

## Vancouver Pines

Garrett Kato

Well, I doubt I'll get my shit together  
Before this baby is born  
Things ain't as easy as on TV  
But I can't help but feel alone  
With all of my hopes and dreams, I know  
Don't pay as much as the government loans

So I miss the rains and the Vancouver pines  
Where I lost all of my youth  
And this uncertainty, the darkness in between  
That never seems to go

That was almost home

Immigration lady's asking, what the hell  
Are you doin' here  
I look at her without sayin' I'm lost  
But she drags me through because  
I've got some kids, but don't know what is  
The right thing to do

So I'll miss the rains and the Vancouver pines  
Where I lost all of my youth  
And this uncertainty, the darkness in between  
That never seems to go

That was almost home

That was almost home

So I'll miss the rains and the Vancouver pines  
Where I lost all of my youth  
And this uncertainty, the darkness in between  
That never seems to go

So I'll miss the rains and the Vancouver pines  
Where I lost all of my youth  
And this uncertainty, the darkness in between  
That never seems to go

I was almost home
