A Friend to Me

Garth Brooks

We're buddies
And we've been since we first met
Me and you
Well we've sure been through
Our share of laughter and regret

Lord knows we've had our bad days And more than once we've disagreed But you've always been a friend to me

You can be so stubborn
There's times I think you just like to fight
And I hope and pray
I live to see a day
When you say I might be right

And there's times I'd rather kill you Than listen to your honesty But you've always been a friend to me

You've always been
Time and again
The one to take my hand
And show to me it's okay to be
Just the way I am
With no apology

Oh you've always been
And you will 'til God knows when
Yes you've always been a friend to me
