

# You Wreck Me

Garth Brooks

You call me crying on the phone at 2 AM  
And I rush right over  
You talked to me like you never talk to him  
And I just don't understand  
You hold me like you're scared to let me go  
You look at me like I'm invisible

And I don't know why  
I am out of my mind  
I'm stuck in the rain  
Standing in line  
Watching your world go by  
And I can't believe  
That I'm crashing and burning and somehow you can't see  
I love the way you wreck me

Tell me what I got to do  
To paint me in  
Your perfect picture  
My heart's running in a race I can't win  
And I can't just can't help myself  
I want to write it on the wall for you to see  
Would it matter if I got down on my knees

And I don't know why  
I am out of my mind  
I'm stuck in the rain  
Standing in line  
Watching your world go by  
And I can't believe  
That I'm crashing and burning and somehow you can't see  
I love the way you wreck me

You've already got the best of me  
You've already made a mess of me  
And I keep coming back, coming back for more

And I don't know why  
I am out of my mind  
I'm stuck in the rain  
Standing in line  
Watching your world go by  
And I can't believe  
That I'm crashing and burning, I'm tossing and turning  
I guess that I'm learning that you're never going to see  
I love the way you wreck me  
I love the way you wreck me
