

# I'm the One

Gary Allan

If you need someone to take you by the hand  
And help you heal your broken heart  
Show you how to find the faith in love again  
So you can make a brand new start  
If you're looking for the man to chase away your clouds  
And be your morning sun  
Oh, baby I'm the one

Believing in tomorrow is so hard  
When all your yesterdays are filled with pain  
Trusting in the future isn't easy  
When the past is just pouring rain  
All you need is someone to take away  
The memory of what he's done  
Oh, baby I'm the one

I'm the one who longs to kiss your lips  
And hold you tight  
I'm the one who longs to love you  
For the rest of your life  
So if you're looking for the kind of man who loves  
Forever and will never run  
Oh, baby I'm the one

I'm the one who longs to kiss your lips  
And hold you tight  
I'm the one who longs to love you  
For the rest of your life  
So if you're looking for the kind of man who loves  
Forever and will never run  
Oh, baby I'm the one  
Oh, baby I'm the one
