

# A Million Love Songs

Gary Barlow

Put your head against my life, What do you hear  
A million words just trying to make, The love song of the year  
Close your eyes but don't forget, What you have heard  
A man who's trying to say three words,  
The words that make me scared

A million love songs later,  
And here I am trying to tell you that I care  
A million love songs later, And here I am

Looking to the future now, This is what I see  
A million chances pass me by , A million chances to hold you  
Take me back, take me back, To where I used to be  
To hide away from all my truth, Through the light I see

A million love songs later,  
And here I am trying to tell you that I care  
A million love songs later, And here I am
