

Come On Christmas

Gary Barlow

Can someone save me?
I've been calling endlessly
I'm barely alive
And I'm running out of time
Can you help this man
To come down and safely land?
Be surrounded by smiles
'Cause nothing heals the soul like Christmas time

No, I'm not one to complain
Not one to give up or start again
But this year's constantly played so hard on my mind
No, I'm not one to be beat
Or be intimidated constantly
But I hope and pray in just one day I can leave it behind

Seeing faces, I know it will start to heal my pain
Sharing love, good will, I know that my heart would start to beat again

Come on Christmas, oh, you gotta make it alright
Come on Christmas, now you gotta shine your light
I wanna move on, I wanna forget
Don't wanna give up on this fight
Come on Christmas, oh, you gotta make it alright
Come on Christmas, oh, you gotta make it alright

No, I'm not one to surrender
Not one to be caught under the weather
But this year's been too long and too hard on this mind
Somedays I just stayed in bed
Next day fighting for my life again
Didn't know who I'd be seeing when I opened my eyes

Oh, those faces, I know it will start to heal my pain
Sharing love, good will, I know that my heart will start to beat again

Come on Christmas, oh, you gotta make it alright
Come on Christmas, now you gotta shine your light
I wanna move on, I wanna forget
Don't wanna give up on this fight
Come on Christmas, oh, you gotta make it alright

Give me family and friends
Get that feeling again
Sharing presents and cards
Let's go back to the start

Come on Christmas, come on Christmas
You can do this, you can do this
Come on Christmas, come on Christmas
Come on and shine your light

(Come on Christmas, come on Christmas)
You can do this, you can do this
(Come on Christmas, come on Christmas)
Come on Christmas, shine your light

Come on Christmas, oh, you gotta make it alright
Come on Christmas, now you gotta shine your light
I wanna move on, I wanna forget
Don't wanna give up on this fight
Come on Christmas, oh, you gotta make it alright

Come on Christmas, save us just in time
Come on Christmas, oh, you gotta make it alright
