## My Dear Acquaintance

## **Gary Barlow**

My dear acquaintance, it's so good to know you For strength of your hand that is loving and giving And a happy new year with love overflowing With joy in our hearts for the blessed new year

Raise your glass and we'll have a cheer For us all who are gathered here And happy new year to all that is living To all that is gentle, kind, and forgiving

Raise your glass and we'll have a cheer My dear acquaintance, a happy new year

Raise your glass and we'll have a cheer For us all who are gathered here And happy new year to all that is living To all that is gentle, kind, and forgiving

Raise your glass and we'll have a cheer My dear acquaintance, a happy new year My dear acquaintance, a happy new year
